

The Vieneo Index

Economic Edition | Rise: The Vineo Province | 29 April 2026 | 13:56

Professional market intelligence for pilots, traders and route planners

Market Front Page

Capital rotates toward the highest-yield corridors

Kansas leads the Rise economy with 306,992,618 CR in mapped opportunity. The strongest route on file is Deadwood to Lancaster in , returning 10,996 CR per MT.

Daily Opinion

Kansas opens the day 278,645,054 CR ahead of the next city in mapped margin, a sign of broad local depth rather than one isolated route. The sharpest signal remains from Deadwood to Lancaster, yielding 10,996 CR per MT.

Rare/Precious leads the commodity board with a 4,214 CR spread, keeping attention on focused cargo rather than diluted routing. 4 cities are carrying at least three lucrative goods, pointing to distributed opportunity across the province.

Lead Province: Kansas with 306,992,618 CR in total mapped margin.

Route Desk

Long Haul

Ce	71 CR	96 CR	2	Kansas -> Lancaster
Fabricated Material	58 CR	80 CR	18	Alphaville -> Deois

Closing Opinion

Closing desk: today's board argues for focus over noise. Kansas holds the broadest edge, while keeps proving that the best unit margin usually tells the truth first.

Quote of the Day

"Distance is only expensive when the spread is weak." Today's routes keep making that case.
